Finance & Tax Service Benefits for TAB Members

Some business owners have a strong sense of the best financial decisions to make while others would prefer to leave the book keeping to a professional. Whichever scenario is more appropriate for your business, use a trusted resource for Commercial Information, Credit Reporting, Tax Preparation, Payroll and more.

As a TAB Member, take advantage of the special discounts on the following financial and tax services:

Constantly preparing payroll can be a major administrative headache for small business owners. After spending hours making calculations, writing and signing checks, etc., it is no wonder that payroll is one of the most commonly outsourced functions in a small business. That's where [Certified Payroll](http://www.certpay.com) comes in. This company provides payroll and human resource services to companies with 1 to 2,000 employees, and you can expect to interact with efficient, reliable and friendly staff, as well as great programs. Specific services include: Certified Payroll, Web/Internet Payroll, Fax Payroll, Tax Payment & Filing, Multi-State & Local Taxes, Direct Deposit Services, and more!

TAB MEMBER DISCOUNT: Receive 15% off your payroll processing services. Visit www.certpay.com or email: lcochrane@certpay.com

When tax season comes around, make it quick and easy for both you and your business to prepare both your federal and state return online using [CompleteTax](http://www.completetax.com). With CompleteTax, you'll have access to the latest tax laws, information on tax deductions and credits you may not know about and resource tools to help you minimize your taxes and maximize your refunds.

TAB MEMBER DISCOUNT: Prepare both your federal and state return online for the discounted price of only \$24.95, including FREE IRS e-filing!
